THRU 4/30!**

MODERN  FLAMES®
ELECTRIC FIREPLACES

75% DISPLAY CREDIT ON ORION V2 SERIES
Limited Time Offer

**Elevate your showroom with the latest evolution in
electric fireplace technology.**

WHY UPGRADE TO ORION V2:

- A limited-time opportunity to refresh displays with the latest, most innovative electric fireplace on the market.
- Deeper, dimensional flames with richer color and enhanced realism.
- Next-generation LCD flame technology that delivers sharper contrast, deeper blacks, and exceptional clarity.
- Adaptive brightness technology automatically balances flame intensity for perfect viewing day or night.

The best flames available – now even better with Orion V2.

WHY DISPLAY TO ORION V2:

Orion V2 represents the next evolution in electric fireplaces. With unmatched flame realism and cutting-edge display technology, it sets a new standard for showroom impact and customer engagement.

Place Orders Through Your Local Sales Rep.
